Corine,

We heard about it from ASDWA and the press, but did not get an invite. A briefing would good.

Thanks,
Darrin

I am hoping that each of you received an invitation and were able to participate on today's 4:00 EST call with EPA HQs Jennifer McClain, Acting OGWDW Director, on the release of the EPA PFAS Action Plan. If you were unable to participate please let us know and we can schedule a follow up discussion on the contents of the PFAS Action Plan.
